

Parent's Newsletter 2016

Dear Parents,

There is a lot to do to get ready for camp: name tags to attach, flashlights to assemble, sleeping bags to roll. There will be lists to check, articles to read and phone calls to make. It might seem overwhelming. This newsletter contains some helpful advice and important guidelines.

We've assemble the best staff ever. There will be counselors from around the corner and around the world who can't wait to meet your children. Because a great camp like Pine Forest is about people. It's about each and every camper and surrounding that camper with enthusiasm, adventure and fun. There is so much to look forward to, new friends, new challenges, new horizons.

We understand that there are a lot of things to do in the summer, but you picked the best. From all 5 generations of our camp family, we thank you.

When you pack your camper's gear, pack their hopes and dreams too. We'll make sure to take good care of it all.

The Black Family

Getting Ready

Questions about packing? Contact our experienced camp mom, Hillary at hillary@pineforestcamp.com. No question too silly!

Here are a few tips:

- ✓ If your child is flying to camp leave one camp shirt out of the trunk and have them wear their "Camp Official" on the plane.
- ✓ Write a letter to your child before camp starts so it is there for the first mail call.
- ✓ Baggage cannot be put on the buses. Trunks, duffles, and suitcases should be shipped to and from camp.
- ✓ Remember to pack bug spray, a flashlight, a water bottle and sunscreen.
- ✓ Pre-addressed, stamped envelopes are helpful to young campers.
- ✓ Bunk placement information will not be given out before camp.
- ✓ Pack a few gold (yellow) & blue T- shirts for "Color Days."
- ✓ Laundry goes out once a week, so make sure your child has enough socks and underwear for a week.

Letters

We encourage good, old-fashioned letter-writing. At mail-call each day, there is no better feeling for a camper than receiving a real, handstamped, hand-written letter or card. Some are treasures that are kept through adulthood.

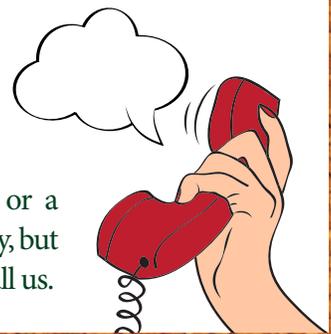

Parents may also send e-mails through the "Bunk Notes" system (see back page), but letters are better.

Phone Calls

It's not easy, but part of sending children off to camp is "letting go." Although phone calls are not necessary, one phone call may be scheduled before Visiting Day, and one after Visiting Day. There are no calls scheduled during the first or last week of camp.

The office will schedule as many calls as possible, before or after dinner, until evening activity begins. Please be reassured that there is always a counselor at the telephone. Hearing your parents' voice for the first time can be upsetting and we will be there to comfort your child. Tears only last milli-seconds after the call – until the first friend walks by, a basketball is dribbled, or a frisbee whizzes by. Don't worry, but if you have a real concern – call us.

Electronics

Nothing internet capable, please!

We do not allow iPod Touches, Kindles, or any device capable of a wifi connection, hand-held games, portable DVD's, laptops, or cell phones. Even if the wifi connection can be disabled, it is not allowed.

If they arrive at camp, phones and electronics will be collected, and returned on the bus (or at pick-up) at the end of the summer. **They will not be returned on Visiting Day.** KEEP THEM AT HOME.

We ask that our **Senior & Hi Senior** campers please sign and submit the "2016 Cell Phone Policy", accessible via the forms section in your "[My PFC](#)" account.

The whole point of being "up where the sky begins" is to live our lives a little differently, a little simpler than we do the rest of the year. Campers can only gain independence if they are truly independent from you and the outside world.

Don't BRING

iPod Touch

Kindle

Do BRING

Medication Procedures

Parents must use CampRx pre-packaging.

For children who take daily medicine (including pills, liquids & inhalers) at camp, **parents must order their medicine through CampRx.** CampRx will deliver your child's medicine to camp in daily, pre-packaged containers. **Go to www.camprx.com or call (877) 302-3881.**

Parents, please do not send up medicine except through CampRx. Medicine arriving with children on the bus in bags or backpacks will be returned and CampRx will charge a late fee and overnight charge. Please cooperate, camp can no longer dispense medicine that is not properly pre-packaged through CampRx.

We have a fully stocked beautiful Health Center with plenty of non-prescription medicine. Campers are not allowed to keep ANY medication in their cabins, so please do not send up Tylenol, Advil, Pepto Bismol, laxatives, calamine lotion, cough syrup, etc.

NO Packages, Please!

Except for necessities from home that are inadvertently left behind, like a book for school, goggles, shin guards, etc. there is really no reason to send things to camp and that is why we have a no package policy.

If an essential item was left at home, please call the camp office for a pre-approval code so that your package will be accepted and delivered to your camper.

We do allow birthday packages, but please keep them modest. Clearly label them with your child's birth date so that we deliver it on their special day. Please remember: NO food is allowed.

Large flat envelopes (9x12) are fine.
